

# UNIVERSITY OF WORLD ECONOMY AND DIPLOMACY

2025/2026

## UWED DIPLOMA SUPPLEMENT

**Published by:**  
**Office of Student admissions  
and registration**

**Approved by:**  
**Academic Council  
of UWED**  
**Minutes No. 6,  
30 January 2026**

## 1. Purpose

Higher education qualification certificates such as diplomas, Diploma Supplements, and academic transcripts, are recognized, certified, and issued within the institutional framework established by this policy.

In compliance with national laws, the Bologna Process, and European Standards and Guidelines for Quality Assurance (ESG), this policy seeks to guarantee the s' transparency, accuracy, comparability, and international of its qualifications.

## 2. Scope

Bachelor's, Master's, PhD, and Doctor of Science degrees; diploma issuance and certification processes; diploma supplements and academic transcripts; recognition of learning outcomes, credits, and qualifications; and all administrative units in charge of academic records and graduation documentation are all covered by this policy.

## 3. Principles

In accordance with national and international quality assurance standards, the University guarantees that qualification documentation is:  
accurate and dependable;  
issued in a standardized format;  
aligned with ECTS and learning outcomes;  
transparent and internationally comprehensible;  
automatically issued to all graduates without discrimination.

## 4. Diploma Supplement Policy

Every graduate receives a Diploma Supplement automatically and at no cost from the university.

The Diploma Supplement is issued in English (and Uzbek/Russian when appropriate), adheres to the Bologna Process model, provides comprehensive details on the type, degree, content, and status of studies completed, and supports academic and professional recognition abroad. It also includes information on credits, a grading scale, learning outcomes, and qualification level.

## 5. Procedures for Issuance

Accurate academic records must be kept in institutional information systems; program requirements must be verified; diploma, transcript, and Diploma Supplement documentation must be prepared; qualification documents must be issued within predetermined timeframes following graduation; and certified copies must be made available upon request.

## 6. Responsibilities

Academic Departments are responsible for ensuring that all academic and program-specific requirements are fully met for the courses and modules they manage. Their duties include monitoring student performance, academic progression, and engagement, providing academic guidance, and implementing support measures for students at risk. Departments verify the completion of learning outcomes and confirm that students satisfy the criteria for credit accumulation and progression.

Student Admissions and Registration Office manages comprehensive student records, including enrollment data, academic transcripts, credit accumulation, attendance records, and graduation documentation. This office is responsible for issuing official documents, such as enrollment confirmations, transcripts, diplomas, certificates of completion, and other academic records. It ensures the accuracy, integrity, and accessibility of student information in compliance with internal regulations and national legislation.

The Quality Assurance Office monitors and ensures compliance with internal academic standards, national regulations, and applicable international quality frameworks (including ECTS and relevant accreditation standards). The office oversees curriculum implementation, assessment practices, and student progression data to maintain uniformity, fairness, and quality in academic programs. It provides guidance to academic departments and supports evidence-based improvements in teaching, learning, and assessment processes.

IT Services are responsible for maintaining secure, reliable, and integrated digital systems for the collection, storage, processing, and access of student-related data. Their duties include ensuring data privacy, implementing access control measures, supporting data reporting for academic and administrative purposes, and facilitating the integration of digital systems across institutional units. IT Services also provide technical support for academic and administrative staff in the proper use of these systems to safeguard institutional and student data.

## 7. Recognition and Certification

The university recognizes the following: Credits obtained through mobility programs, transferred courses, prior education when appropriate, and credentials in compliance with institutional and national standards are all recognized by the university.

The academic transcript and Diploma Supplement contain records of all recognition decisions.

## 8. Data Accuracy and Protection

All academic and personal information used for certification must be checked for accuracy, stored safely in institutional databases, handled in accordance with laws protecting personal data, and only accessible by authorized staff.

## 9. Quality Assurance and Monitoring

The University routinely reviews the following : Timely issuing of documents, the correctness of records, student and graduate feedback, and adherence to the Bologna Process and accrediting requirements are all routinely reviewed by the university. The institutional quality assurance system makes continuous improvements.

## Recognition and certification

At the University of World Economy and Diplomacy (UWED), the recognition and certification of student academic achievements follow the standards set by the Ministry of Higher Education, Science and Innovation of the Republic of Uzbekistan. The university awards state-recognized academic degrees only—namely, Bachelor's, Master's, and Doctoral degrees—based on the successful completion of approved study programs and the accumulation of a required number of credits. Pursuant to the following resolutions:

- **Resolution of the Cabinet of Ministers of the Republic of Uzbekistan** (No. 607, dated July 19, 2019), [On the approval of the state standard samples of bachelor's and master's diplomas of higher education;](#)

- - **Resolution of the Cabinet of Ministers of the Republic of Uzbekistan** (No.304 dated May 22, 2017), [On measures to further improve the post-higher education system.](#)

the recognition and certification of qualifications are carried out by UWED.

Each program is organized following the national credit framework, which corresponds with the principles of the European Credit Transfer and Accumulation System (ECTS). Student performance and credit accumulation are tracked via the HEMIS platform, ensuring reliable, transparent, and accurate recording for certification purposes.

The minimum credit load for a Bachelor's degree at UWED is 240 ECTS, which reflects the comprehensive and intensive structure of undergraduate education across most academic disciplines. Master's programs require 90 ECTS, while Doctoral degrees are research-based and are regulated through publication output, supervisor reports, and dissertation defense procedures.

In contrast to certain international models, UWED does not award short-cycle qualifications, postgraduate certificates, or professional doctorates. The university exclusively awards full academic degrees, which are officially recognized and validated by the National Agency for Quality Assurance in Education under the Office of the President of the Republic of Uzbekistan.

Upon successful program completion, students receive a state diploma confirming the academic qualification and field of study. Graduates also receive a Diploma Supplement, outlining the academic content, credit distribution, and final grades. This document is issued in Uzbek and in English, facilitating international recognition.

Certification procedures are managed by the Office for Student Admissions and Registration, which validates students' academic records via HEMIS and initiates the official issuance of degree documentation. For PhD and DSc students, graduation is formalized only after approval by the Higher Attestation Commission (OAK) of the Republic of Uzbekistan.

UWED's certification system ensures the legal, academic, and international validity of

all awarded degrees and aligns fully with national qualification frameworks.

**Table: Recognized Academic Qualifications and Credit Requirements at UWED**

Program Type	Qualification Awarded	Minimum Credit Requirement	Notes
Undergraduate	Bachelor's Degree (Bakalavr)	240 ECTS	Standard duration: 4 years; awarded upon completion of the full curriculum.
Postgraduate	Master's Degree (Magistr)	90 ECTS	Standard duration: 1 year; includes coursework and research components.
Postgraduate	Doctor of Philosophy (PhD)	N/A (research-based)	Awarded after dissertation defense and meeting publication requirements.
Postgraduate	Doctor of Science (DSc)	N/A (research-based)	Conferred for significant scientific contributions and research leadership.

### **Graduation ceremonies and certification**

At the University of World Economy and Diplomacy, degrees are officially awarded during annual graduation ceremonies held at the end of the academic year. These events celebrate the completion of students' studies and formally acknowledge their scholarly achievements.

Eligible students who have completed all academic requirements and passed final assessments receive a **state-recognized diploma**, confirming their qualification and field of study. Each diploma is issued in accordance with national education regulations and bears the official seal of the university and the Republic of Uzbekistan.

Alongside the diploma, graduates are also provided with a **Diploma Supplement**, which includes a detailed breakdown of the student's academic record, subjects studied, grades earned, and total credits accumulated.

Graduates may additionally request an **official transcript**, which presents a complete academic history including semester-by-semester results. Requests are processed through the Student Admissions and Registration Office and may also be submitted via the university's online student portal.

All official documents are produced in a consistent format and recorded within the

**HEMIS system**, ensuring accuracy and adherence to institutional standards. While electronic diplomas are not yet offered, all issued records are securely archived for future verification purposes.

Graduation ceremonies are coordinated by university administration and faculty leadership and reflect the institution's commitment to celebrating academic excellence, community spirit, and national pride.

### Bachelor's diploma of higher education of the state sample DESCRIPTION

The cover of the bachelor's diploma has a solid-cover appearance, measuring 148x210 mm, made of dark blue artificial leather.

On its front side, the image of the State Emblem of the Republic of Uzbekistan is embossed, and below it, in Latin script, the words BAKALAVR DIPLOMI are written in Uzbek. The diploma cover is printed on thick, watermarked paper with five offset printing methods, measuring 145x200 mm: the text is printed in black and dark blue, and the graphic elements are printed in blue and light blue.

The State Emblem of the Republic of Uzbekistan, painted in a unique light blue color with sides measuring 80x82 mm, is placed in the white part of the center of the page. It is surrounded by a light blue background with a small national pattern consisting of a patterned raster. A 20 mm wide light blue border is drawn above the background in the upper part of the page, and the words "UBEKISTON RESPUBLIKASI BAKALAVR DIPLOMI" and "REPUBLIC OF UZBEKISTAN BACHELOR'S DIPLOMA" are printed on both pages of the diploma above the border;

The Latin letter V and an eight-digit number are printed in dark blue at the bottom of the border of both pages of the diploma.

For diplomas with honors, the words "IMTIYOZLI" in Uzbek and "WITH HONOURS" in English are written in gold paint below the words "UZBEKISTAN RESPUBLIKASI BAKALAVR DIPLOMI" and "REPUBLIC OF UZBEKISTAN BACHELOR'S DIPLOMA" in Latin script.

On both sides of each page, an eight-pointed star is placed in gold. The eight-pointed stars are formed by inserting squares with sides of 15x15 mm. Also, a QR code system of 35x35 mm in size without a background is placed at the bottom right of the diploma form.

The diploma has 7 levels of protection:

- 1) using two different printing methods: the offset printing method for the main part, and the high-speed printing method for printing numbers;
- 2) use of non-toxic dyes that make copying by machine difficult;

- 3) printing a small national pattern in the background using raster grids;
- 4) use of watermarked paper with a special national ornamental pattern and a density of 120 g/m<sup>2</sup>;
- 5) Depicting the state emblem in light blue;
- 6) depicting eight-pointed stars in special shiny gold paints;
- 7) Using a figure-of-eight variable number.

### Master's degree diploma of higher education of the state sample DESCRIPTION

The cover of the master's diploma looks like it is made of dark red artificial leather with a single-sided cover measuring 148x210 mm.

On its front side, the image of the State Emblem of the Republic of Uzbekistan is embossed, and below it, in Latin script, the words "MASTER'S DIPLOMA" are written in Uzbek.

The inside of the diploma cover is printed on thick, watermarked paper measuring 145x200 mm using offset printing in five colors: the text is printed in black and dark red, and the graphic elements are printed in cream and light cream.

The image of the State Emblem of the Republic of Uzbekistan, painted in a cream-colored paint with a unique appearance, measuring 80x82 mm, is placed in the white part of the center of the page. It is surrounded by a light cream-colored background with a small national pattern consisting of a patterned raster. A cream-colored border 20 mm wide is drawn above the background in the upper part of the page, and the words "O'ZBEKISTON RESPUBLIKASI MAGISTR DIPLOMI" and "REPUBLIC OF UZBEKISTAN MASTER'S DIPLOMA" are printed on both pages of the diploma above the border.

The Latin letter M and an eight-digit number are printed in dark red at the bottom of the border of both pages of the diploma.

On both sides of each page, an eight-pointed star is placed in gold. The eight-pointed stars are formed by inserting squares with sides of 15x15 mm. Also, a QR code system of 35x35 mm in size without a background is placed at the bottom right of the diploma form.

The diploma has 7 levels of protection:

- 1) using two different printing methods: the offset printing method for the main part, and the high-speed printing method for printing numbers;
- 2) use of non-toxic dyes that make copying by machine difficult;
- 3) printing a small national pattern in the background using raster grids;
- 4) use of watermarked paper with a special national ornamental pattern and a density of 120 g/m<sup>2</sup>;
- 5) Depicting the state emblem in light cream colour;

- 6) depicting eight-pointed stars in special shiny gold paints;
- 7) Using a figure-of-eight variable number.

An academic transcript is a document that is strictly recorded.

Forgery is punishable by law.

### **Academic transcript DESCRIPTION**

The academic transcript is printed using offset printing on watermarked paper, with the text in black and the background in light blue.

The image of the State Emblem of the Republic of Uzbekistan is depicted, below it are the words "REPUBLIC OF UZBEKISTAN", "city name", "educational institution name", and "ACADEMIC TRANSCRIPT" in Latin script.

The academic reference letter is stamped (printed) with the Latin letter "VA" and a six-digit number below the word "ACADEMIC TRANSCRIPT".

The academic transcript has 5 levels of protection:

- 1) using two different printing methods: the offset printing method for the main part, and the high-speed printing method for printing numbers;
- 2) use of non-toxic dyes that make copying by machine difficult;
- 3) use of watermarked paper with a special national ornamental pattern and a density of 120 g/m<sup>2</sup>;
- 4) Depicting the state emblem in light blue;
- 5) Using a seven-figure changing number.

### **State samples of PhD and DSc. diplomas and their descriptions**

#### **III. PhD DIPLOMA**

##### **State sample of PhD diploma DESCRIPTION**

The Doctor of Philosophy diploma is made of special green-blue paper and has a size of 135 x 105 mm. In the upper part of the blank surface, in blue concentric circles with a diameter of 26 mm and 24 mm, there is a colored State Emblem of the Republic of Uzbekistan with a diameter of 20 mm. At the bottom, the following is written in Uzbek in Latin script and in English in blue letters:

SUPREME ATTENTION COMMISSION at the

Ministry of Higher education, science and innovations of the Republic of Uzbekistan

In the center of the left side of the inner page of the form is the State Emblem of the Republic of Uzbekistan with a background of 70 mm in diameter. A strip with an orange background runs along the middle. Both pages consist of raster grids measuring 1.5 x 1.5 mm and 2 x 2 mm. The text in English is printed in black letters, and the serial number of the diploma is printed in red numbers.

In the center of the right side of the inner page of the form is the State Emblem of the Republic of Uzbekistan with a background of 70 mm in diameter. A strip with an orange background runs along the middle. Both pages consist of raster grids measuring 1.5 x 1.5 mm and 2 x 2 mm. The text in Uzbek is printed in black letters in Latin script, and the serial number of the diploma is printed in red numbers.

The two-digit numbers of the diploma series and the six-digit numbers of the diploma serial number are printed on both pages of the diploma.

The diploma has 7 levels of protection:

- 1) the use of two printing methods: the main part is printed using offset printing, and the numbers are printed using letterpress printing;
- 2) the use of light-colored dyes that make copying difficult in the reproduction technique;
- 3) the use of raster grids of various shapes;
- 4) the formation of new colors as a result of the use of raster grids of various shapes;
- 5) the use of special paper;
- 6) a color image of the State Emblem of the Republic of Uzbekistan;
- 7) the use of numbers that change in six forms.

The Doctor of Science diploma is made of special green-blue paper and has a size of 135 x 105 mm. In the upper part of the blank surface, in blue concentric circles with a diameter of 26 mm and 24 mm, there is a colored State Emblem of the Republic of Uzbekistan with a diameter of 20 mm. At the bottom, the following is written in Uzbek in Latin script and in English in blue letters:

**SUPREME ATTENTION COMMISSION at the  
Ministry of Higher education, science and innovations of the Republic of Uzbekistan**

In the center of the left side of the inner page of the form is the State Emblem of the Republic of Uzbekistan with a background of 70 mm in diameter. A strip with an orange background runs along the middle. Both pages consist of raster grids measuring 1.5 x 1.5 mm and 2 x 2 mm. The text in English is printed in black letters, and the serial number of the diploma is printed in red numbers.

In the center of the right side of the inner page of the form is the State Emblem of the Republic of Uzbekistan with a background of 70 mm in diameter. A strip with an orange background runs along the middle. Both pages consist of raster grids measuring 1.5 x 1.5 mm and 2 x 2 mm. The text in Uzbek is printed in black letters in Latin script, and the serial number of the diploma is printed in red numbers.

The two-digit numbers of the diploma series and the six-digit numbers of the diploma serial number are printed on both pages of the diploma.

The diploma has 7 levels of protection:

- 1) the use of two printing methods: the main part is printed using offset printing, and the numbers are printed using letterpress printing;
- 2) the use of light-colored dyes that make copying difficult in the reproduction technique;
- 3) the use of raster grids of various shapes;
- 4) the formation of new colors as a result of the use of raster grids of various shapes;
- 5) the use of special paper;
- 6) a color image of the State Emblem of the Republic of Uzbekistan;
- 7) the use of numbers that change in six forms.
