

## **Procedure for admission of foreign citizens to the undergraduate programs of the University of World Economy and Diplomacy for the academic year 2024/2025**

Admission of foreign citizens to the undergraduate courses of the University of World Economy and Diplomacy, according to the decision No. 169 of August 4, 2008 The Cabinet of Ministers of the Republic of Uzbekistan "On improving the procedure for the admission and training of foreign citizens to educational institutions of the Republic of Uzbekistan", it is carried out without tests, according to the results of the interview held at JIDU and taking into account the points collected in accordance with the rating system.

Foreign citizens who have submitted documents to study at the JISU bachelor's degree are interviewed in terms of determining their worldview, professional ability and motivation, general intellectual and moral-ethical level.

The interview will be held within the time limits set by UWED in agreement with the Ministry of Foreign Affairs.

The information about the interview will be announced at least 15 days before the interviewing day.

Interviews with foreign citizens can be conducted directly or remotely (online) as needed.

Admission of foreign citizens is not carried out in the following cases:

- *when not coming to the interview according to the schedule (0 points will be given);*
- *when he scores 55% or less of the maximum points set in the interview.*

Re-interviews for the admission of foreign citizens to UWED undergraduate programs are prohibited.

The results of the interview cannot be appealed or considered in the appeal procedure.
