

A regular meeting of the Advisory Board was held at UWED

At the meeting of the Advisory Board of the University of World Economy and Diplomacy, held on April 10, 2025, decisions were made aimed at further developing the university and increasing the efficiency of its activities. In particular, the results of financial activities for 2024 and the plan of financial and economic work for 2025, which provides for the optimization of costs and the strengthening of digital control, were approved.

The results of employee certification and the opening of a new master's program in Management in cooperation with MERI Group of Institutions were also considered. In addition, changes in the organizational structure of the university were approved.
